

Catfishing

What is it ?

A stranger creating a **fake identity** online (on Facebook, Insta etc) and telling lies to scam people.

Fake identity is pretending to be someone else, often someone famous - using their details like name, photos, stories..

Why people Catfish ?

To Scam people, to Steal their money, often aiming for vulnerable people, by playing with their emotions pretending to be friends or lovers. They try to get people name address, bank details.
